1. [Redacted] ONE/HL/E				COMMENTS: (Number each comment to show from whom to whom. Draw a line across column after each comment.) I was unable to get you on 29 Sept. and in your absence did talk to [Redacted] OGC concerning the necessity for a Hughes/Ryan finding by the President and reporting to the Committees. [Redacted] agreed that was contemplated and if this is your understanding then obviously you must flush out the last sentence to so indicate rather than inferring that the approval process stops with the SCC. Please give me a call if you have a problem with this.
